Re: Data Submittal

Dear Mr. Lockhart:

EPA requests submittal of ground water chemical data for OUs 1 and 2 in electronic form. The data has been submitted before to EPA but is not in a format readily usable. Please resubmit the data in the format which was set for the future routine chemical data submittals requested in February 1991. The format requested is as follows:

Location ID	Date	Parameter	CAS No.	Concentration	Units	Qualifier
-------------	------	-----------	---------	---------------	-------	-----------

(Qualifier refers to the QA/QC qualifier code.)

Please submit the reformatted data by March 31, 1991. Thank you for your prompt attention to this matter.

Sincerely,

*Martin Hestmark*
